Subject: UNT Announcement: Spring parking and transportation update from Transportation Services

Jan. 12, 2017

Dear UNT Students:

Transportation Services wants to update you on a few changes this semester:

- New routes have been added to the Victory Hall parking area
- Over 550 additional spaces will be added near the Victory Hall area in the coming months
- A GPS locator to help riders track the after-hours e-ride buses will be ready Jan. 17

Transportation Services is also happy to announce the addition of two new resources to help with campus transportation and parking needs:

- Parkmobile, a pay-by-phone app, will allow those without permits to pay by the hour and park in Lots 5, 7, 23, 25, 55, 92, 93 and 96; at meters on Highland Street, West Sycamore near the Pohl Recreation Center and McConnell Hall, and Oak Street; and in the Union Circle Garage.
- Zipcar allows all UNT community members ages 18 and older to rent a car by the hour.

Parkmobile and Zipcar officially launched today and you can find out more about them at the Mean Green Spring Fling event Jan. 18 from 6-8 p.m. in Union 314.

Visitor parking is limited to Lots 5, 25 and the Union Circle Garage. We know we have asked for a lot of patience and cooperation by the entire UNT community this year. As an auxiliary unit that operates solely on its own revenues to fund maintenance and personnel, we strive to keep rates affordable while being attentive to the needs of the UNT community.

If you have any parking or transportation questions, contact us at 940-565-3020 or transportation.services@unt.edu. Check our website for updates.
